## CERTIFICATE BUY AMERICA

Issued By  
Saginaw Control & Engineering  
95 Midland Road  
Saginaw, Michigan 48638

Buy American / Buy America  
Act American Iron and Steel (AIS)

Saginaw Control & Engineering would like to make the following statement regarding the Buy American / Buy America Act in reference to Buy American provision 1605 and American Iron and Steel (AIS): Based on currently available guidance on this provision, products manufactured by Saginaw Control & Engineering comply with Buy American Act (BAA) 41 U.S.C. § 8301-8305 and Buy America (BABAA) Build America, Buy America Act 117-58, § 70901-52, 70911 - 70917 and American Iron and Steel (AIS) as they relate to a federal funded project.

The basis for the foregoing statement is that the electrical enclosures by Saginaw Control & Engineering are a domestic manufactured good as defined in Buy American Preference requirement in 49 USC § 50101.

Saginaw Control & Engineering hereby certifies that steel and stainless-steel electrical enclosures are manufactured by Saginaw Control & Engineering in Saginaw, MI with domestic iron, steel and/or manufactured goods in accordance with the requirements and with the referenced standards.

Saginaw Control & Engineering hereby certifies that fiberglass and polycarbonate enclosures provided by Saginaw Control & Engineering in Saginaw, MI are domestically manufactured goods in accordance with the requirements and with the above referenced standards. (Made in the USA)
