Detail View

Item #	Part Name	Qty.
1	Channel Nut	4
2	Flanged Bolt	4
3	Flat Washer	4
4	Spacer	4

Installation Instructions

1. Install (4) channel nuts (item 1) into channels provided on the right and left side of the enclosure
2. Attach stationary shelf as shown. Use (4) bolts (item 2) and washer to thread into the channel nuts (item 1) in the right and left side.
3. Place the spacers (item 4) between shelf and channels for more support and tighter fit before fully tightening down bolts.
